lives in Paris, is making his American debut with a collection of forty of his works at the Hotel Biltmore, which remain on view until to-morrow. Mr. Giordano has found many of his chance to indulge his passion for vases as his have seldom been men here, In fact, they reek with color. Mr. Gior dano also employs an unusually heavy impasto. He paints, it is true, in oils, but he applies the paint in such heavy masses that the pictures often look like colored reliefs. This is particularly true of the "Red Roses," which has been con-spicuously labelled as having been purchased by Enrico Caruso. These roses stand out from the canvas as though they had been modelled in clay and then glazed with crimson and other lakes, Other pictures have been done at Martiques, which is quite as colorful as Venice and which has excited the artist o an equal expenditure of pigment, Other works have been done at Touler and at Paris, but wherever the artis worked he has contrived to get a giimps, of the river into his composition, for Marked interest in the exhibition has the city.
